👁 39 ✓ 0 ★ 2

Chapter 1 by SAMUEL FELIX

There is a legend among the great Doritos. This legend is masked with fear and glory. It is a legend of the golden Dorito. Some say the legend is false, others say it is true. The believers of this legend say that once you discover the Golden Dorito your flavor is multiplied by 2 trillion billion. Many great Doritos have searched for this legend and many have failed. No one knows how they die, but some say it is the Consumer of Doritos who kills any adventure that dares to wander beyond the Holy Dorito Gate.
